Harold Oscar Thompson, son of Oscar and Grace Thompson, was born November 4, 1921, at Turon, Kansas. He passed away in Wichita, Kansas, September 9, 1979, at the age of 57.

While a child at home, his parents pastored Friends Churches across Kansas Yearly Meeting. He came as a sophomore to Friends Haviland Academy and graduated in 1939. B. degree from Pacific College (now George Fox) in 1945; M. S. in Education Administration from Fort Hays State College in 1957; and had completed additional hours for Ed. Specialist Degree from Ft. Hays.

On June 7, 1942, he married Arlene Johnson at Wellsford, Kansas. To this union was born a son, Harold Dean, and a daughter Ellen Eilene.

His life was dedicated to serving people both in the ministry and in the education field. He was recorded minister by Kansas Yearly Meeting (1944) and pastored churches at Ridgeview Friends in Oregon, Seattle Memorial Friends in Washington and Maple Friends north of Haviland. In addition to these pastorates, he supply pastored numerous churches in the surrounding area.

Harold taught at Greenleaf Academy in Greenleaf, Idaho, from 1945 to 1947; Ridgeview Public School in Oregon; Haviland Academy from 1948 to 1964 (Principal and teacher); Dean of Instruction at FBC from 1964 to 1967; President of FBC of 1967-68. He was Principal of Haviland from 1968 to 1970 and Superintendent of USD 474 at Haviland from 1970 until the present time.

He served in many various civic organizations in several capacities. He was a member of many professional organizations and a lifetime member of the Friends Church.

He was preceded in death by his parents and one brother, Allen, who died in infancy.

Harold is survived by his wife, Arlene; his children, Dean and wife Sandy of Bedford, Texas, and Eilene and husband, Dana Hoffman of Texarkana, Texas; three granddaughters, Tiffany, Candice, and Valerie; two brothers, Ernest of Phoenix, Arizona, and Everett of Topeka Kansas; a step-mother, Mrs Lillian Thompson of Ardmore, Oklahoma; numerous cousins, nieces, nephews, other relatives and friends.

Mrs. Sneed, Stuco sponsor, makes a presentation to the Harold Thompson family during the dedication ceremony of the gymnasium.

THE WEAVER

My life is but a weaving
Between my Lord and me;
I cannot choose the colors
He worketh steadily.
Oft times He weaveth sorrow,
And I, in foolish pride,
Forget He sees the upper
And I, the underside.
Not till the loom is silent
And the shuttles cease to fly,
Shall God unroll the canvas
And explain the reason why,
The dark threads are as needful
In the Weaver's skillful hand
As the threads of gold and silver
In the pattern He has planned.

UNDERCLASSMEN

'81 JUNIORS

In the year of 1980, the Junior Class pulled an ace out of the hole. They produced a Junior Carnival which turned out to be a smashing success. Later in the year, the class of '81 produced a Junior Play entitled **Penny.** (Needless to say, they made a few pennies from this production.) Many weeks and many worries preceded the Junior-Senior Banquet and Prom, but when it finally all came together, it was a lot of fun for those involved. All in all, the Junior Class had quite an exciting year and it seems they stand ready and willing to fill the shoes of this year's graduating class.

'82 SOPHOMORES

The sophomore year is sometimes a difficult period in a student's life. He is no longer a low-life freshman, yet not quite a super-dude upperclassman. However this year's sophomores managed very well through these trying times. They struggled through NEDT tests and proved to themselves that studying pays off. Several of them did very well on varsity teams while others demonstrated leadership abilities in various clubs. As a class they worked together to organize a skating party and a money-making project — selling HHS mugs. With the variety of personalities in this class, the next two years are guaranteed to be successful for them.

'83 FRESHMEN

Being a freshman isn't easy. It takes a lot of humility and tolerance. A freshman is the one you find hanging on a coatrack in the halls, being sprayed with the lawn sprinkler, or standing at the end of the lunch line. However, in spite of the many hardships a freshman must endure, there are some advantages to the high school way of life. In talking with some of the freshmen,they all agreed that "High school is better than grade school. After all, there is a wider variety of classes, more teachers, better sports competition, and more social activities." One freshman remarked that she liked being able to make new friends — especially guy friends. "I don't even mind having more competition in chasing the guys," she said. "It's 'funner' that way."

Y-TEENS

It was a busy year for the Y-Teens. They started the year off with a **5 a.m. breakfast party.** (1) It was a surprise come-as-you-are party for the club members. Prizes were given for the best "outfit" and to the girl who looked the most like she normally did. The **Powder Puff football game** was a lot of fun but, so far, none of the players have signed pro contracts. **Fall Conference** was held at Rose Hill and Debbie Ferguson was the Junior Board candidate. The program for this year's **Christmas Tea** was given by the Greensburg United Methodist Bell Rigners. (2) The theme for the **Mother-Daughter Banquet** was hobbies and Mrs. Wingfield from Greensburg showed her music boxes. Mr. Wade was the speaker for the annual **Candle Lighting Service** at the Friends Church. (5) The **Spring Tea** had a daisy theme and Roxie Anders gave a program demonstrating various crafts. (3)

FHA & Y-Teens Christmas Party

Once again this year the Y-Teens joined the FHA in decorating the Christmas tree for the front hall of the High School. After decorating, the girls enjoyed eating pizza and drinking pop. The evening's highlight was Mrs. Unruh playing Santa by handing out the gifts. The FHA girls exchanged gifts with their Big-/Little Sisters and the Y-Teens drew names for the gift exchange.

SPIRIT WEEK

The Pep Club planned an activity for each day of Spirit Week to promote enthusiasm and spirit for league and tournament basketball games. Once again the week was a big success and everybody participated in a big way.

The week started off in silence. The girls were forbidden to talk to the guys. The next day everyone signed each other's T-shirts. On Wednesday, HHS students wore crazy hats and funky-looking socks. Thursday everyone created spirit the 50's way. Dragons rocked around the clock in bobby sox, saddle oxfords, cashmere sweaters, and leather jackets. "National Blue and Gold Day" wrapped up the spirit-filled week. On this day, students wore anything and everything they could find that was blue and/or gold — jewelry, hair ribbons, ties, scarves, and even some fingernail polish and glitter.

STUCO

The '79-80 schoolyear was a successful one for the Student Council.

After many years of failed attempts, they finally persuaded the school board to let the student body have a pop machine. They also sponsored a soup supper and a dance the night of the first home football game.

The annual all-school Christmas party was also a Stuco sponsored event. Everyone enjoyed a morning of exchanging gifts, singing caroles and laughing with David Wiggins as Santa. The afternoon was spent roller skating at Pratt.

The last main event for the year was the school picnic held at Big Springs. It was a day of fun and sun.

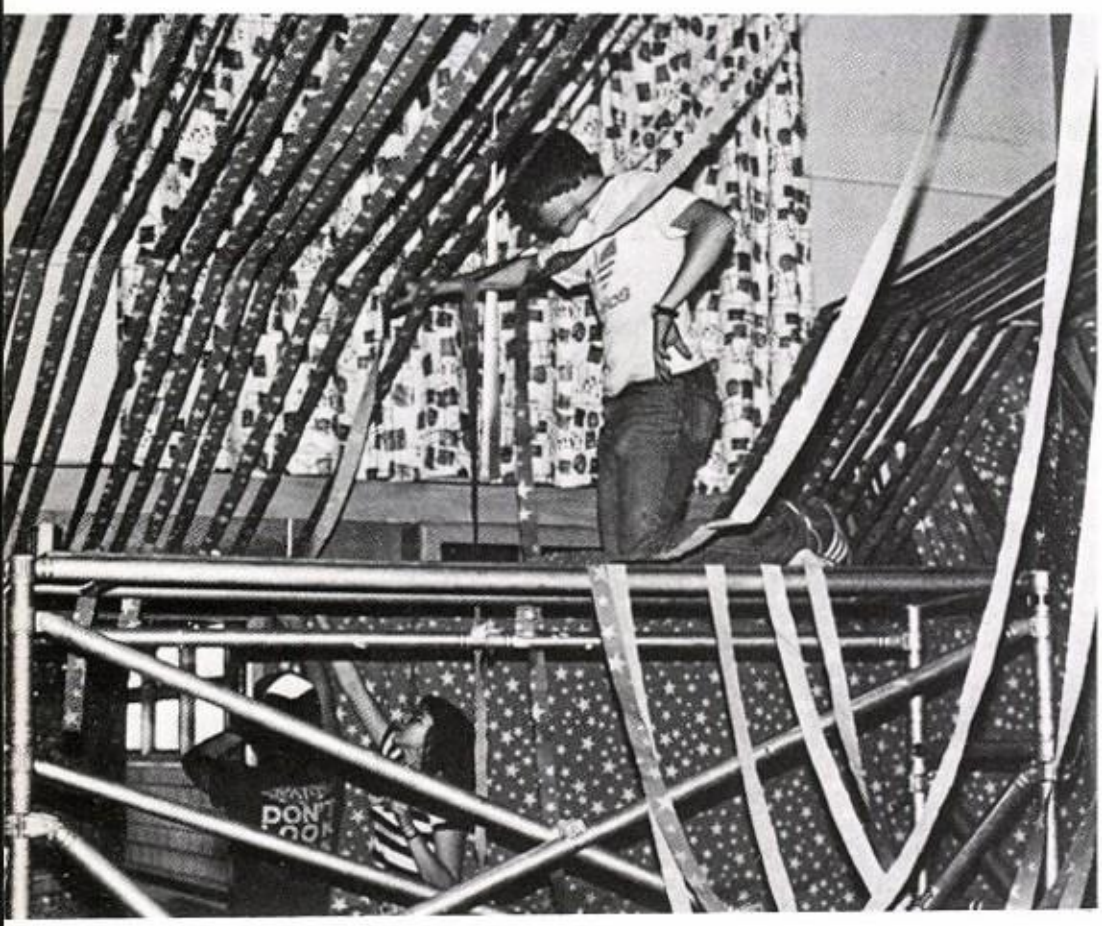
JUNIOR-SENIOR BANQUET AND PROM

MINUTE BY MINUTE



Minute by minute, hour by hour, the juniors worked on the prom decorations.

Brian Whitney adds the finishing touch.

The event was formal and students and faculty ate by candlelight.

The theme for the 1980 Junior-Senior Banquet was "Minute by Minute". Students, faculty, and board members were served a delicious meal. Larry was the guest speaker and entertainer for the evening. Following the meal, the floor was cleared of tables and the alumni dance began. Music was provided by a D.J. who was a student from Hutchinson Juco. Strobe lights and a fog machine helped to create an unforgettable atmosphere.

I really enjoyed having you around the past two years. You've really improved in volleyball and I expect a lot more your senior year. Win Regional! Best of luck and the Lord be with you in all your future endeavors.

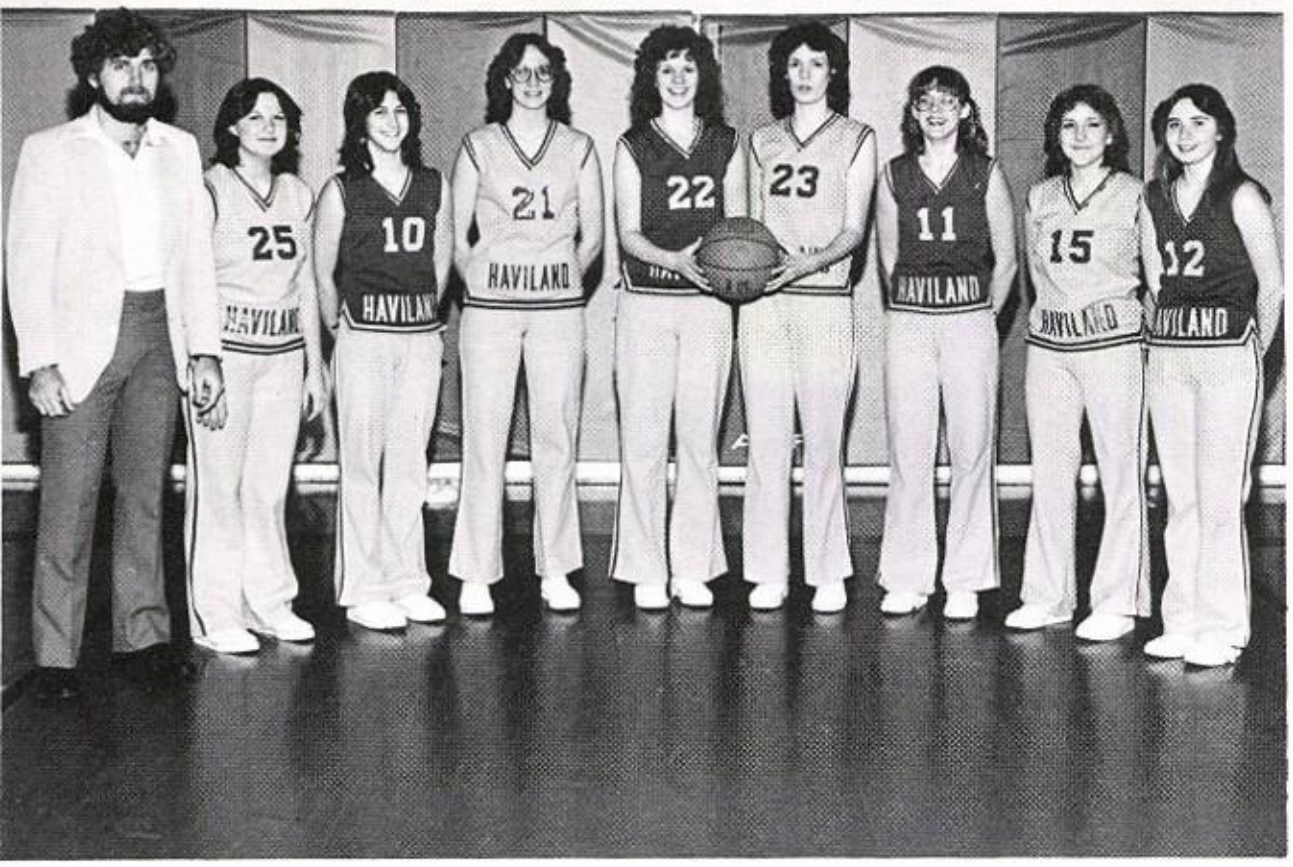
GIRLS BASKETBALL

REGIONAL CHAMPS



Basketball team left to right: Coach Stanage, Anita Collins, Rochelle Johnson, Carolyn Tuttle, Rachel Johnston, Ruth Johnston, Tonia Rittgers, Kayleen Ross, Machelle Coggins.

The 1979-80 basketball season was an exciting one for the basketball girls and fans. For the first time in the history of girls basketball at Haviland High, the girls went to Sub-State. Going into Regional play with a record of 10 and 9, the girls were not expected to go as far as they did. However they were able to defeat Trinity and Cunningham to make it into the finals. Not satisfied with runners up of Regionals, the girls went on to beat Norwich in a close two point game and took the title of Regional Champs.

I guess I'll start out
saying thanks for being
such a fabulous, helping,

great aspects of our friendship is the great christian

I often need. I really appreciate all the help & understanding
you & I share. I think that what we have is really more than
just a friendship. (you know what I mean).
You know, it really wouldn't surprise me if 10 years
now, you and I were still going to basketball
and putting & nudging each other at every semi-cute
passerby. But, that's life, so we may as well
freedom it. You basic old maids, that is.
